Greg Doucende takes the win !

Mountain of Hell - Les 2 Alpes - France

Everybody knows that Greg Doucende is one of the Top Riders in long Distance Downhill. Always in the Top 3 during the latest Megavalanche, 2nd last year at les 2 Alpes for the Mountain of Hell, Greg is a strong Rider

He also knows that he's fast this season: The only guy that could beat him was Jérôme Clémentz. But Jey Clémentz was not as fast as Greg 1 week ago, in l'Alpe d'Huez...

« Doudou » do (whap !) the all shot with Jey, and they start early to increase the gap between other riders...

In the middle of the Race, the MBK rider Jey Clémentz has to stop for a mechanical problem

Greg is first, and nobody will see him again before the podium!

A good victory for Greg, in order to stay confident for the next Saab Salomon Avalanche Trophy in September - Are - Sweden.
