Villars'RiderzCup and World Cup N°1 - Maribor

Busy week end for Team Lapierre Saab Salomon : Gregory Doucende was in Villars - France, for the 3rd round of the RiderzCup, David Vazquez Lopez and Danny Hart were in Slovenia for the 1st round of UCI World Cup

Greg Doucende realise the perfect race: he took the first place in the first "chrono", and stay first during the whole race. (he has done scratch time in all "chrono")

Gregory Doucende : Lapierre Saab Salomon : 17'10''

Victor Roux : 17'58''

Guillaume Serre : 18'16''

Danny Hart has also made a very good race: only first year's junior rider's qualified in final, Danny took a very good 62nd place. For sure this place will "free" him of pressure, and he will be faster and faster during this season...

David doesn't know how to found the good timing on this track.

1 second after the finish line, David was thinking about his revenge in 3 weeks, in Andorra, for the second UCI World Cup.

Next event this week end in Kielder, UK, for the 2nd round of the Saab Salomon Avalanche Trophy...
